#### Adam Henson launches The Prince's Countryside Fund's National Directory of Farm and Rural Support Groups

PCF are very proud to launch their "National Directory of Farm and Rural Support Groups".

Adam Henson told PCF:

*"I'm very proud to be an ambassador for The Prince's Countryside Fund. Tragically, one farmer a week takes their own life, so I'm pleased to be helping launch and support the Fund's National Directory of Farm and Rural Support Groups. This pocket-sized directory means that if you come across people in the countryside who are struggling and need support, you can point them in the right direction."*

Originally created by YANA, a farming mental health charity working across Norfolk, Suffolk, and Worcestershire, the directory has been updated to include 21 new support groups.

## Choosing to Defer 31st July 2020 Tax Payment

- Those struggling to find the funds to make their end of July payment on account can defer their payment until 31 January 2021. The deferment is automatic. Therefore, all anyone needs to do take advantage of the government offer is to not make their July payment.
- Customers will not need to contact HMRC to defer their payment on account – they opt into the deferral by simply not paying their tax bill due by 31 July 2020.
- If no payment is received, HMRC will automatically update their systems to show payment has been deferred and no interest or penalties will be incurred, providing it is paid in full by 31 January 2021.
- The only action customers may need to take is to cancel their direct debit if they have one set up for their payments on account.
- If no payment is received, HMRC will automatically update their systems to show payment has been deferred and no interest or penalties will be incurred, providing it is paid in full by 31 January 2021.

## Self-Employment Income Support Scheme Grant

The scheme has been extended. If you were eligible for the first grant and can confirm to HMRC that your business has been adversely affected on or after 14 July 2020, you'll be able to make a claim for a second and final grant from 17<sup>th</sup> August 2020.

### Don't forget to keep records to back up your claim.

While you may have successfully claimed a Self-Employment Income Support Scheme grant, HMRC will be checking claims further down the line. Please see below for information on how to ensure you can back up your claim:

- HMRC says you must keep a copy of 'all records in line with normal self-employment record keeping requirements including how much you have claimed from SEISS and your claim reference number'.
- The records must be kept for at least five years after the 31<sup>st</sup> January tax return deadline or, if later, four years after you send your tax return.
- **Remember to record the SEISS grant as part of your business income. Keep a copy of the SEISS calculation. This can be a screenshot or printout of your online claim.**
- HMRC also requires you to keep records of how your business was adversely affected. Simply saying 'we had less income' won't be enough. E.g. you should list cancelled contracts and orders as well as indefinitely delayed work for regular customers / self-isolating etc. Make records now while the details are still fresh.

**For full guidance / check your eligibility / how your business could be adversely affected and to apply for the grant [CLICK HERE](#)**

### Coronavirus Bounce Back Loan Scheme

- You can apply for a loan of between £2,000 and £50,000 - up to 25% of your turnover.
- The government guarantees 100% of the loan and there won't be any fees or interest to pay for the first 12 months. After 12 months the interest rate will be 2.5% a year.
- The length of the loan is 6 years, but you can repay early without paying a fee.
- No repayments will be due during the first 12 months.

[Check if you are eligible, and find out how to apply](#)

Please note that you cannot apply if you're already claiming under any of the following schemes:

### Farming Recovery Fund Extension 2020 – re flooding in February 2020 is open

The Farming Recovery Fund is now open for applications from farmers whose land was flooded in February 2020, and who are located in parts of: Herefordshire, Shropshire, Staffordshire, East and North Yorkshire, and a further extension in Nottinghamshire, Worcestershire & Gloucestershire. Details of the eligible areas.

Click here for the [Handbook and How to Apply](#)

All work must meet the specifications set out in the handbook. **Deadline for submitting applications is 1<sup>st</sup> Sept 2020.**

### Dairy Response Fund 2020

Defra has set up a fund to help those dairy farmers most in need in England overcome the impact of the COVID-19 outbreak.

The new funding will help provide support to eligible dairy farmers in England who produce cows' milk.

For full details and how to apply for this one-off payment click [Dairy Response Fund 2020](#)

**The deadline for submitting your application to the RPA is midnight on Friday 14 August 2020.**

### Defra consultation on “Contractual Relationships in the UK Dairy Industry”

This consultation is in response to concerns raised that primary producers, including dairy farmers, tend to occupy positions of relative market weakness in the food supply chain. Consensus among agricultural producers in the UK is that unequal bargaining power with processors and retailers can expose farmers to unfair treatment, with the potential to undermine equitable price transmission along the chain. **For more information about the consultation, and to have your say, click [HERE](#).**

The consultation is open until **15<sup>th</sup> September 2020**

### Pig keeper survey for UK smallholders and pet pig keepers.

**DEFRA, APHA and devolved UK administrations have released a smallholder and pet pig keeper survey in regards to African Swine Fever.** Please complete the survey to help UK agriculture departments provide you with the right information to protect the health of your pigs.

For full details and to access the survey [CLICK HERE](#) The deadline for completing the survey is **31<sup>st</sup> August 2020.**

### Control of Wild Birds

Defra has announced that six general licences for the control of wild birds will be reissued on a temporary basis ahead of new licences coming into force on 1 January 2021. The [current licences](#) GL26, GL28, GL31, GL34, GL35 and GL36 will be reissued from 1 August to 31 December. No action is required by licence users, beyond the ongoing requirement to act in accordance with the licence conditions. Full details [HERE](#)

### Jordans Sustainable Agriculture Bursary

The Bursary is available to six lucky winners who are interested in sustainable agriculture and plan on studying at the Royal Agricultural or the University of Reading in September 2020.

**Applications close at midday on Sunday 30<sup>th</sup> August.** [Find out more and apply now](#)

### Support for Office 2010 is ending soon

With Office 2010 end of support, security updates will stop. Office apps will work, but you may be exposed to security risks. End of support, which is sometimes referred to as “end of life,” means Microsoft will no longer provide technical support or software and security updates for Office 2010 on 13th October, 2020. Click [Here](#) for more information on Microsoft Office.

**To find out which version of “Office” you are currently running** - If you have **Windows**, open a Word document, choose File from the top left corner, and then click either Account or Help on the left navigation bar. ## The Government is running a consultation on Carer’s Leave.

They are keen to hear from all kinds of interested parties: employers, individual unpaid carers, trade unions, representative organisations, charities, professional bodies, medical or social care providers researchers and academics, in respect of the intention and pledge to introduce Carer’s Leave for employees in paid employment. This is a vital step in helping both business and families providing care to disabled, older and ill relatives and friends to continue working.

The consultation is open until **Monday 3<sup>rd</sup> August 2020** and you can comment on the proposals via [this link](#)

Carers UK's have produced a useful briefing on their view on the consultation and why the introduction of carer's leave would be positive for carers and this can be accessed via [this link](#)

## Advice & Support Available Across Herefordshire from the Wye & Usk Foundation

**We are still working to support farmers during these strange times – if you need any advice please contact one of our Catchment Advisers as usual.**

**Natural Flood Management Grants:** There are still grants available to support delivery of action that helps increase water retention in the landscape - so far this has funded grassland aeration, subsoiling, cover cropping, attenuation ponds, hedge planting and leaky dams. The target catchments are the Dulas,

Bodenham, Pentaloe, Tedstone, Cheaton, Ridgemore, Yazor and Red/Twyford Brook. If you farm in one of the target catchments and would like to find out more please click [HERE](#) or call one of our advisers. The NFM grant is funded through DEFRA and administered by Herefordshire Council.

**Water Quality:** The levels of phosphate in the rivers and streams is still higher than it should be and we are working hard to support local farmers to reduce losses from agricultural sources – which still contributes 50% of the P in our rivers. We are able to provide free confidential farm advice for any yard or land management challenges you may be facing. We can provide soil structure assessments, OM testing, yard advice, stewardship advice... the list goes on!

**For more information or to request a visit please contact one of the WUF advisers:**

**Lucinda Lewis (07824 904 877); Mike Williams (07920 441 215); Tom Jolley (07545 253 155); Jonny Pugh (07825 743 447) Abi Croshaw (07990 068 941); Claire Spicer (07741 856 770); Ben Nott (07539 902 680); Rebecca Meredith (07539 902 681)**

Severn Trent Water are working with the Wye & Usk Foundation to fund advice and grant schemes in the Wye on an annual basis. It is restricted to the Drinking Water Safe Guarding Zone which follows the main rivers, so if you farm on the main stem of the Wye, Lugg or Frome and would like to improve a pesticide handling area or disposal options like biobeds or biofilters there may be funding available to support this. Contact one of the advisers below to check whether you are in the eligible area and would like more information. STEPS is a competitive scheme and the application window reopens in **November 2020**. The scheme can also support biodiversity options like buffer strips, winter bird food and pollen mixes. In addition to the STEPS programme Severn Trent have funding for PA training for farmers in the Drinking Water Safeguard Zone (PA1 Excluded). If you are interested, then please contact one of the advisers below.

**Catchment Advisers: Abi Croshaw (07990 068941) or Mike Williams (07920 441215)**

### **Do you have non-English speaking agricultural employees?**

Posters produced by Herefordshire Council and NHS Clinical Commissioning Group are available for you to download and reproduce, giving advice for your employees on social distancing, and how to stop the spread of Coronavirus. The posters are in English, Bulgarian, Kurdish, Lithuanian, Polish, Romanian, & Slovak languages. **The posters have been updated to include the "contact" aspect to NHS Test and Trace.** They can be downloaded from the Herefordshire Rural Hub website [HERE](#)

### **"Farming Help" providing support for farmers affected by Covid-19**

**The Farming Help Charities – Addington Fund, Farming Community Network (FCN), Forage Aid, Royal Agricultural Benevolent Institution (R.A.B.I), and RSABI, supported by The Prince's Countryside Fund - are working together to support the Farming Community during the current Coronavirus (Covid-19) outbreak.**

We recognise that this could be an anxious time for many farmers and farming families and periods of poor health or self-isolation may result in temporary practical difficulties on farm.

This initiative is in conjunction with The National Federation of Young Farmers' Clubs, The National Farmers' Union, and the NFU Mutual Charitable Trust.

**Utilising our Farming Help helpline (operated by FCN) and respective organisations/volunteer networks, we can offer the following local support. Get in touch on 03000 111 999 if you:**

- Feel concerned or anxious and would like to talk to someone who understands farming, will listen to you and help you think through your options
- Would like help to draft a contingency plan to ensure you and your farm are prepared, should you be unable to work for a time.
- If you or people you rely on become ill or are self-isolating and you need to find help locally- we will endeavour to find support for you in your local area. We will source contact details of local organisations and groups who may be able to assist you in finding help to feed livestock, collect shopping or collect prescriptions if you are unable to do so. This directory will be revised and updated in the coming weeks and months.

Call **03000 111 999** or visit <http://www.farminghelp.co.uk>

### **The Prince's Countryside Fund/HFYFC Training Grants**

As some social distancing and Covid-19 restrictions are being eased, a limited amount of training is starting to be offered, so if you are able to get something booked up, and are eligible to apply for this funding, please contact **Frances at Herefordshire Rural Hub** to request an application form.

The funding is easy to access. All you need to do is select which course you would like to go on and complete the application form. If your application is approved you will be able to reclaim **70%** of your training and test costs, up to a maximum of **£250**.

**Applicants must be a current member of HFYFC or a past HFYFC member (up to 40 yrs old).**

The fund will support training that will; **improve your employability, increase or improve your skill set, improve your safety or allow you to undertake extra responsibility in your current job.**

**Whatever training you are applying for, please ensure that you submit your application form in good time before your course is due to take place, as training cannot be funded retrospectively.**

For any queries or to request an application form, please email Frances at [admin@herefordshireruralhub.co.uk](mailto:admin@herefordshireruralhub.co.uk)

### Wyvern Training Services Ltd

We have resumed some onsite practical training activity for clients whilst continuing to carefully monitor and comply with all COVID-19 requirements.

We are able to offer single site/in-house training for limited range of courses including Lift Trucks and ATV's. Other topics are also available so if you have any current training needs, whatever they may be, please call to discuss if and how we may be able to help.

All training delivered is being thoroughly risk assessed to ensure the safety of everyone involved and that current COVID-19 guidelines and social distancing rules are fully implemented and met. This does mean that the number of people able to attend courses may be reduced and that venues and facilities used need to meet all necessary safety, COVID and personal social distancing requirements.

We are currently not able to offer open courses.

Should you have any future training needs or requirements, please let us know as we are now taking provisional bookings and building courses through late Summer and Autumn

We look forward to returning to more normal business, including reinstating our open course programme once the guidance and advice allows.

#### Covid-19 Safe Practise Instruction for 7Y Training Centre Courses

How we are making training safe for you and your candidates

We will be implementing the following measures to keep your candidates and our employees safe:

1. If a candidate has any of the symptoms of COVID-19 (e.g. new persistent cough, high temperature, loss or change to sense of smell or taste) they must not attend training. We will provide a free transfer to a future course
2. We will implement social distancing measures between everyone at all times during the course and request the same of candidates during refreshment and toilets breaks. To do this we have reduced class sizes.
3. Each candidate will receive a welfare pack on arrival which consists of personal hand-sanitiser, gloves, tissues, face mask and a pen. These packs (as with all course paperwork) have been quarantined for 7 days.
4. We have changed our training rooms around to ensure that trainers and candidates do not touch and can remain socially distanced during practical sessions
5. We will operate a 1:1 candidate to manikin ratio for First Aid courses for CPR practice and will maintain our rigorous manikin cleaning protocols
