The Joy School, Jinja, Uganda. The Joy School in Jinja Uganda is for orphans and street children who wouldn't otherwise receive an education.

The Linda Norgrove Foundation was established in October 2010 in memory of Linda Norgrove, who was devoted to ensuring that the people of Afghanistan would achieve prosperity and stability as their country was rebuilt. Her parents, John and Lorna Norgrove, set up the Foundation to continue her work. Linda was completely committed to her development work and she loved Afghanistan and its people. The Foundation's primary goal is to help women and children in Afghanistan, the innocent victims of the decades of conflict in the poorest country in the world outside Africa.
